

United States Department of State

Washington, D.C. 20520

MAY 25 2001

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting herewith certification of a proposed Manufacturing License Agreement with Canada.

The transaction contained in the attached certification involves the export of defense services and technical data for the manufacture of acoustic data recorder/reproducer and remote control units for the P-3C Orion Maritime Surveillance Aircraft in Canada.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael E. Guest
Acting Assistant Secretary
Legislative Affairs
